**“STUDY GRANT PROGRAM MALAYSIA 2016”**

Dear Sir,

Education Malaysia, a section of Consulate General of Malaysia in Ho Chi Minh City would like to send our greetings and inform the matter above.

With the support of Malaysian universities and colleges, Education Malaysia would like to extend information on “Study Grant Program Malaysia 2016”. The list of grants offered by the institutions for the respective courses is as in Appendix A.

Education Malaysia would like to seek the assistance from your respective office to disseminate this information to the high schools around the city. We would appreciate it if the high schools can return to us the list of interested students by early June 2016, for us to support students in matters pertaining to visa or study choice (Appendix B). Students also can visit the websites of the respective universities for information on more courses. Should there be a sound interest in certain universities, representatives from the respective universities will be invited to come to Ho Chi Minh City to meet the students and parents.

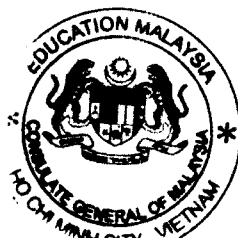

For teachers who are interested to further their studies in short or long term courses in Malaysia, our office is more than happy to suggest courses with bursaries or scholarships. We will look into the enquiries and seek for the best options as soon as possible.

We strongly believe that this cooperation will bring benefits to your students and it also will help to boost the relationship between Vietnam and Malaysia through Education.

We look forward to more collaborations with Department of Education and Training Ho Chi Minh City in the future. Meanwhile, should there be any other enquires, please do not hesitate to call us at 08 3932 6616 or email at [educationmalaysiahcmc@gmail.com](mailto:educationmalaysiahcmc@gmail.com)

Best regards,
